

Gresham Partners Ranked #9 In Barron's 2017 Top 100 Independent RIAs

CHICAGO – October 24, 2017 – Gresham Partners, an independent investment and wealth management firm, been ranked #9 in Barron's 2017 Top 100 Independent RIAs. Gresham moved into the #9 spot from #13 in 2016.

The Barron's ranking is based on a 102-question survey that asks firms about the investments they favor, the number of clients they serve, and the size and structure of their staffs. The rankings are based on multiple factors and calculations in three general categories: assets, revenue and quality of practice.

Investment performance is not an explicit criterion and the rankings are not based on information about actual client experience and should not be considered indicative of the future performance of Gresham or the advising services provided.

The announcement from Barron's can be viewed at:
